Documentary premiere

"Better together? Family migration in Brexit and Covid times"

This is a research-informed video documentary based on migrant stories and migration specialists' accounts that has been created as part of the "Understanding the challenges of family migration in contemporary EU mobilities" research project led by Dr Elisabetta Zontini and funded by the ESRC Impact Accelerator Account

Followed by a round-table discussion that includes:

Cristina Tegolo

Settled
Comites Manchester

Matteo Corradini
